

SELF-CONTAINED BREATHING APARATUS

INDUST-SCBA

GENERAL DESCRIPTION:

INDUST-SCBA is a Self-Contained Positive Pressure Breathing Apparatus manufactured and approved to the latest NIOSH and other agency standards. The INDUST-SCBA unit provides optimum reliability at low cost. ASHRAE (15-1994), OSHA, and other regulatory agencies require or recommend having such a unit available at hazardous locations where there is a risk of oxygen depletion or conditions of toxic gas build-up due to the leakage of compressed gases or other chemicals.

FEATURES:

- Composite Backplate with Fully adjustable Waste Belt
- Whistle Warning Alarm
- Pressure Gauge with Luminous Face
- Padded Shoulder Strap
- 2nd Stage Positive Pressure Regulator
- Positive Pressure Face Mask
- Kevlar Cylinder Band
- 30 Minutes Cylinder, 2216 PSIG

TYPICAL APPLICATIONS:

- Mechanical Rooms
- Confined Spaces
- Industrial Processes
- Hazardous Locations
